

Jim Dandy voice sample transcript Oct 6, 2026

The tools are called Mint, Goat, and the Ore. And by the time we're done today, you're going to know exactly what they do, why they matter, and where to go to get your hands on them.

And I want you to answer it honestly. You don't have to say it out loud, just feel the weight of it. How many software subscriptions are you paying for right now that you don't fully understand?

For clone
